- Monitor babies' progress to ensure they reach their developmental targets
- Plan and create activities which keep babies engaged throughout the day
- Enable babies to become more independent
- Help prepare babies for the transition into their Toddler Room (24 to 36 months)
- Protect and promote the health and well-being of all children
- Ensure that safeguarding procedures are followed
- Promote positive relationships in the early years setting
- Develop good relationship with parents
- Show ability to report on their growth and progress

### Key Requirements:

- Hold a full and relevant early years and childcare qualification of Level 3 (in Childcare, Early Childhood)
- Minimum 2 year' experience of working in a Baby Room of a nursery/early years setting
- Good knowledge of the EYFS
- Willing to progress in terms of leadership within the company
